A Powerful Tool for Modern Educators

Cognitive Boost

Our two-stage process (Unscramble & Slide) forces students to engage with syntax and logic, moving beyond simple memorization.

Instant Creation

Use our Curriculum Assistant to paste text from any lesson plan and instantly generate multiple game levels automatically.

Track Mastery

The progress dashboard tracks each student's "Personal Best," giving you clear insight into true mastery, not just attempts.

Ready to Elevate Your Classroom?

Choose a plan that fits your needs and start creating engaging, effective lessons today.
